**EXAMINER'S AMENDMENT AND STATEMENT OF REASONS FOR ALLOWANCE**

***Comment on Submissions***

1. The response filed 11 February 2004 has been entered.

***Examiners Amendment***

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
3. Authorization for this examiner's amendment was given in a telephone interview with Julia Cook Moody on 19 April 2004.

The application has been amended as follows:

Claims 13 and 15 are cancelled.

Claim 14 has been amended as follows:

--14. The radiation dosimeter of claim [1] 6, further comprising:

a low voltage indicator producing an audible indication of low voltage.—

4. The above amendments were made without prejudice to correct obvious typographical errors and erroneous dependencies.

***Allowable Subject Matter***

5. Claims 6-16 are allowed.
6. The following is an examiner's statement of reasons for allowance:

Regarding independent claim 6, the prior art does not disclose or fairly suggest a radiation dosimeter including at least a scale and a dose indicator indicating dose accumulation wherein

Art Unit: 2878

the dosimeter further includes a sensor on the scale such that the proximity of the dose indicator produce an indication of a predetermined dose. The examiner notes that while it is known in the art (see for example Allemand *et al.* -- US 4,461,952 -- at Fig. 1) to produce an indication of a predetermined dose as a result of an electronic measurement, the prior art does not suggest the use of a proximity sensor on a scale.

The remaining claims are allowable on the basis of their dependency.

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
